Reliable • Professional

# Our Company

**Hessel Kaan Signs & Neon** is a family owned company who work with small and large businesses to tailor make & deliver signage solutions. With more than 30 years experience as one of the Illawarra's leading sign companies, we work with large national customers, as well as small businesses to make sure your signage meets your brief and gives you value for money.

You can relax in the knowledge you are in professional and reliable hands when you choose Hessel Kaan Signs & Neon for your signage project.

*"I am proud to say that my Edmen Group business recently commenced using Hessel Signs. The experience has been excellent but more importantly Hessel has proven to be very professional, creative and responsive. Our new signs adorn our new Building and we have purchased a number of different types of signs including a large Headline LED Sign that shows our Company name & can be seen from far & beyond. I have been most impressed with Hessel Signs genuine partnership & the pride they take in making us look good through all our new Signs. I would strongly suggest any business to call Hessel next time they need a signature sign"*

**Eddy de Gabriel**

*"City Motors Group has been a client of Hessel Kaan Signs for 4 years and we have always been thrilled with the exceptional standard of work they have produced for us. Hessel Kaan Signs has assisted us with everything from large outdoor illuminated signs, directional signage and vehicle sign writing. They really take the extra time to understand our requirements and work with us to achieve the results we want."*

# Our Expertise

## Customer service

This is the most important part of our role as signwriters. We strive to develop long relationships with our customers, based on trust & expertise. Much of our work is from repeat customers & our reputation is our strength.

## Experience

After more than 3 decades in the sign business we have a lot of marketing insights & design savvy plus the technical expertise to deal with even the most complex of sign projects. From architectural plans to a standard design we can offer advice to make the project a success. Our trades people are highly skilled & we are passionate about training apprentices.

*"Hessel has managed to realise the description of what I wanted to achieve exactly. I am very happy with the result."*

**Robert Grisillo**

# Product Knowledge & Quality

Keeping up to date with the latest products and technology is part of how we run our business. This ensures our customers get the most durable and appropriate materials plus value for money.

## **OHS Compliance System**

Our OHS policy ensures our work practices put safety at the forefront of everything we do. Every job has a site-specific risk assessment, and we are proud of our safety record. From traffic management to working at heights, we have safety covered.

## **Sustainability**

We have had a sustainability policy since 2001 and endeavour to lower our carbon footprint each year. All our electric power is from Green sources, we recycle everything we can and we offer a wide range of green signage solutions.

*“The professional & appealing design, & Hessel’s commitment to getting the job done, made this project seamless and a success.”*

*“Kembla Watertech has been using Hessel Kaan signs since 1997 for our vehicle fleet graphics. Throughout this time we have found Hessel to be very good at what he does; supplying us with clean graphics that maintain our branding often in very tight time frames. I have no hesitation in recommending Hessel Kaan signs to anyone seeking branded signage of any type.”*
